

WORLD ENVIRONMENT DAY

Keep it Green

Keep it Clean

World Environment Day is observed annually on June 5th serving as a global platform to raise awareness and action on environmental issues. The day was designated by the UN General Assembly in 1972. The United Nations Environment (UNEP) leads the celebrations, which aim to promote responsible environmental conduct by individuals, businesses, and communities.

Importance: Crucial for galvanizing global attention and inspiring positive change on critical environmental challenges like climate change, pollution and biodiversity loss.
